# **PUNJAB SECURITY TRAINING INSTITUTE**

## **JAHAN KHELAN, HOSHIARPUR**

### **ABOUT US**

The Government of India has enacted “The Private Security Agencies (Regulation) Act, 2005”. Accordingly, the government of Punjab to comply with the provisions of Act has notified “The Private Security Agencies Rules, 2007”. Punjab Govt. has also decided to establish the Punjab Security Training Institute at Jahan-Khelan, Hoshiarpur, in the premises of Police Recruits and Training Centre to train youths from the State for employment as Security Guards. The institute has imparted training to 239 youths from Punjab from Jan 21st, 2008 to 20th March, 2008. Training of second batch of 200 youths is starting from 5th May 2008. At present infrastructure of Police Training School, Jahan khelan is being utilized to impart training. State of the art infrastructure at the institute will come up during the

year 2008-2009 with a minimum capacity of training of 4000 trainees per year.

### **Courses Offered :-**

1. 2 months duration vocational course for security guards.
2. Certificate course for security supervisor of 6 months duration (being started shortly).

### **ADMINISTRATION**

The institute is managed by Punjab Police Security Corporation constituted under the Companies Act with the approval of the Govt. of Punjab. The ex-officio Chairman of the Corporation is Director General of Police, Punjab. The institute is headed by a senior police officer with vast experience in industrial security training. The Institute also has a placement Officer whose main job is to liaise with industries & business establishments for improving.

### **TRAINING SYLLABUS**

The training syllabus is prescribed in the Punjab Private Security Agencies Rules, 2007. It is of two months duration and covers various aspects of security requirement i.e. physical fitness, parade, unarmed combat, physical security, fire fighting, crowd control, evacuation during emergency, surveillance, identification of documents, I.E.Ds. & different types of weapons, handling & operating 12 bore gun, first-aid, knowledge of law, use of computer related with security, identification & use of security related electronics gadgets (including CCTV, smart cards & biometrics controlled access entry), wireless & mobile communication etc.

## **TRAINING METHODOLOGY.**

Methodology adopted is Trainee Centred with a lot of emphasis on practical activities so that the trainees learn by doing. Demonstrations pertaining to different activities of a security guard are part of the training to make it skilled based. some of the demonstrations & practical activities are :-

Access control/frisking, Anti sabotage checking, Cordoning and sealing, Evacuation, Surveillance, Chasing, overpowering and immobilization of mobster/suspect, Identification of I.E.Ds. and explosive/narcotic material, Body search, premises search and area search, Defensive driving, Working of anti sabotage checking gadgetry, Role of sniffer dogs in security operations, First aid, Type and techniques of patrolling, Handling a mob-attack, Handling and operation of Wireless, Musketry handling and firing of personal weapon.

The trainees are taken for visits to different industrial & commercial complexes to acquaint them with different security needs & arrangement. The trainers sit down with the Commandant of the institute & his men to identify objectives & methodology of each class. They prepare lesson plans and then implement them. Regular feedback is taken to upgrade the quality of training.

Evaluation is on weekly basis and is also done at the end of the training. The purpose is to identify strength & weakness of every trainee to bring out the best in him.

The training methodology is such that when a trainee passes out of the Institute, he is confident enough to handle the task of a security guard successfully.

## INFRASTRUCTURE

The institute is spread in an area of 50 acres. When completed in the year 2008-09, the institute will have indoor training block with modern class rooms, modern laboratories/workshops, administrative block, outdoor training block, multimedia room, library, guest house for guest faculty, modern hostel for boys and girls etc. Auditorium, hospital, gymnasium, residences for faculty etc., will be added subsequently in coming years.

## FACULTY

Trainers are the soul of the Institute. Hence emphasis has been laid in attracting specialists in different fields of training. They are serving & retired officers/professors from Universities, Forensic Science Laboratories, Police Department, Army, Private Security Agencies etc.

The faculty are guided to prepare their lesson plans & adopt training methodology to suit needs of industries/business establishments.
